6:50 Show and Tell
7:00 Topic of Discussion
7:30 Move to Turning Lab to Demo and participate in Topic
8:30 Adjourn

New Members/Guests

Our new member is Kevin Honahan

Safety Topic

John Haight gave a short talk about some safety tips that he acquired from the AAW magazine.

Old Business

Robust Tools open house featuring Tim Yoder will be October 3rd from 9:00 to 4:00. Robust Tools is located in Barneveld, Wi.

The Corridor Woodturners Club in Cedar Rapids will be having a 2 day demonstration on October 3rd and 4th featuring John Jordan. The cost is \$50 per day. If you wish to attend, The Corridor Woodturners has a link on their website. Registration deadline is Sept. 11.

The boring bar that Byron Bohnan is donating did not get finished in time for the auction for the September meeting. The club has made several suggestions on how to proceed with the auction. Since not everyone can attend every meeting, suggestions were made on possibly having an online auction. The Board will decide how to do this and an email will be sent out explaining the details. Also, Lyndal Anthony will be donating the steady rest for the boring bar. If the winner does not want the visualizer, Lyndal will substitute it with a laser light.

New Business

Secretaries report: Starting balance:1461.77, Expenses: 261.48, Income: 105.00, Ending balance: 1305.29.

Maureen Seier suggested having a 5 to 10 minute question and answer period during the meeting.

The "Monthly Challenge" has been revised. Instead of voting for the best challenge piece, all the names of the people who entered the challenge will be put in a bowl and one name will be pulled out. Since only a small percentage of members at the meeting vote plus some members feel intimidated by other members turnings, the club feels that this change would be more fair.

Byron Bohnan has graciously donated \$1,000 to the club to use in whatever way the club sees fit. The Board has decided to use some of the money for 2 monitors for the club meetings plus possibly bringing in a professional to do a demo. Byron has suggested that maybe some of the money could be used for a scholarship for a member to attend a seminar. That person would in turn have to do a report of what he/she learned and present it at a meeting. The Board also has given Byron a free lifetime membership to the club.

October nominations for "Member of the Year". If you would like to vote for Member of the Year, put your nomination on a piece of paper and give it to John Urness at the October meeting. If you cannot attend the meeting you

can email John at urness@centurytel.net with your vote. John will calculate the names he gets and present the top 3 to the Board. The Board will then vote on Member of the Year. That person's name will be announced at the Christmas party in December.

John Urness showed his collection of pens that he made from bleacher arms. He gives the pens to his old high school graduates.

The 27th Annual Woodcarvers & Woodturners Show and Sale will be October 25th from 9:00 to 4:00 at Abundant Life Christian School in Madison. For more information go to www.cacw.clubexpress.com.

Show & Tell

Critique done by Lyndal Anthony

Lyndal Anthony, Crotch wood

Bob Hansen, Cherry, Steps in making a bowl

Bob Hansen

Brian Larson, Butternut

Brian Larson, Walnut
