8:30 Adjourn

Food for Thought

"If you don't have a stack of failures in your shop, you aren't trying hard enough."
~Richard Raffin~

New Members/ Guests

Dave VandenBoon from Mount Pleasant
Kay Fritz who is the wife of Dave Fritz

Question/ Answer time

Ken Winge wanted to know if anyone else ran into trouble when ordering from a catalog but could not get a discount because the order had to be a certain amount. Lyndal mentioned that the Quad City Wood turners has a "Blanket Order" once or twice a year. They would get enough orders to qualify for a discount. Ken said he would be willing to take orders. Contact Ken if interested.

Mary Scanlan wanted to know how to get a spot on crotch walnut smoothed out. Answers were to sand the area in both directions or to put shellac on it and then sand the area.

Old Business

Alan Lacer demo, April 23 and 24, 2016. There may be enough people for a Friday class which would be April 22 from 9:00 a.m. to 4:00 p.m. Registration forms and hold harmless forms need to be filled out and signed

Learn to Turn cancelled.

New Business

The club started out the month with \$3698.60. Expenses were \$280.00. Income was \$472.00. Ending balance was \$3890.60.

Dave Fritz will be doing the demo on finishes for the April meeting.

Mississippi River Museum Demo/ Makers Faire is April 30 thru May 1.
Lyndal talked to some of the administrators there and they said that no one can actually sell from the museum grounds, but could provide cards or contact information to sell offsite. If you want to demonstrate wood turning we would welcome that if you are OK with just the demonstration and selling privately offsite or a later time.

Turn-On! Chicago 2016 Symposium is scheduled for July 22-24, 2016. To view the schedule go to <http://turnonchicago.com/MiscFiles/2016RotationSchedule.pdf>.

College for kids will take place again this year. If you are interested in helping, contact Frank Steck.
