## New Members/Guests

Stacy and Tom Nehl. Stacy did the demo.

## Safety Topic

John Haight gave a short talk on small injuries in the shop and how to properly clean them and take care of them.

## Question/Answer time

Maureen Seier asked how to burn a line onto a vase. The answers were: Use any type of wire. Hold it onto the vase and press. The wire will burn a groove into the wood. Or you can use the back side of a tool. Use it in the same manner as you would the wire.

### Old Business

Alan Lacer will be doing a club demo on April 23<sup>rd</sup> and 24<sup>th</sup> 2016. The Saturday demo is open to everyone. The Sunday demo will be limited to about 6 people and will be "Hands on, One on One" with Alan Lacer. Bret English will donate a Robust lathe for Alan to use. The cost for either day has not yet been decided.

### New Business

Vice Presidents report: Members voted for "Member of the Year". Results will be announced at the Christmas party next month.

The Christmas party will be December 8<sup>th</sup> @ 6:30 at the Wisconsin Bank & Trust on Bus. 151 in the lower level. It is located out by Menards.

Treasurer's report: Starting balance: \$2102.48, Income: \$311.00, Expenses: \$44.89, Ending: \$2368.59.

Librarian's report: The library is located under the monitor. It is hard to find but will have to do until we can put shelves in.

Secretary's report: Club dues are due. Make sure you pay John Urness for 2016.

Auction for the boring bar & steady rest will be held as follows: The boring bar and the steady rest will be auctioned off separately. We will have an email auction. You can email Lyndal Anthony with your bid at [lmLyndal@aol.com](mailto:lmLyndal@aol.com). Updates will be sent out to every member on a daily basis. The bidding will close on December 1<sup>st</sup> at 8:00 p.m. The person with the highest bid will win. (Every email is time stamped with the time the sender sends the

email out in case of a bidding war in the last few minutes of the auction). The reserve for the boring bar will be set at \$100 and the reserve for the steady rest will be set at \$50.
